

Ergorim plate

- 813245

- **Highly resistant material**
- **Non-slip underside**

Our Ergorim plate makes it easy to eat with one hand, because of its high, curved rim. The rim is lower on the other side for easy access to the food. The underside is non-slip to prevent the plate from moving during meals.

Diameter 23 cm. Height 2 to 5 cm.

Dishwasher safe.
