The Vegelya Premium bolster pillows provide exceptional comfort for the head due to their viscoelastic memory foam with exceptional flexibility and resilience. Like all Vegelya Premium models, the bolster pillows are enriched with bamboo charcoal and castor oil.
This foam is also perforated for optimal air circulation, ensuring that the user's head stays cool.
The bamboo viscose cover is treated with 100% natural GreenFirst essential oils to repel dust mites, moths and mosquitoes.
It is also infused with Aloe Vera for added softness.
