Terraillon Power Stepper circulatory stimulator

- 861001

- **Improves blood circulation**
- **Electrostimulation + pumping exercises**

The brand new Terraillon circulatory stimulator is ideal for individuals suffering from poor blood circulation, muscle weakness, diabetes, and osteoarthritis. Its effects help alleviate heavy leg sensations and combat a sedentary lifestyle. It works through muscle electrostimulation (EMS) and transcutaneous electrical nerve stimulation (TENS).
It also combines a pumping effect thanks to its exercise stepper function. You control all functions with your wireless remote control.

99 intensity levels and 15 wave variations. 2 pre-installed programmes.
LED display.
Comes with 2 adhesive electrodes.

Mains operated with adapter supplied.

Dimensions : 42.8 x 41.6 x 10.4 cm.
Weight : 2.07 kg.

2-year warranty.

Date d'impression : 04/11/2026
