PositPro leg rest cushion

- Aubergine - 829034.A

- Grey - 829034

- **Curved cushion for heel relief**
- **Adapts to the shape of the legs**
- **Latest innovative material**

The PositPro cushions feature Technigel fibre, which provides exceptional comfort for patients. It exceeds the comfort performance of current polyester fibres, is lighter and, above all, has a memory effect. It allows for optimal positioning to relieve pressure points.
They feature a removable Steritex cover, made from the most resistant polyurethane on the market. Innovative, ventilated and waterproof coating on a bi-elastic knitted base. Ideal for decontamination in care homes and suitable for the most stringent requirements in environments at risk of contamination.
Its resistance to cleaning makes Steritex a product that is highly valued by hygiene services. Washable at 95°C. Resistant to chlorine and autoclaving.

Curved cushion providing heel relief to prevent bedsores. Adapts to the shape of the legs. Improves blood circulation in heavy legs.

Steritex cover with zip. Memory foam.

Dimensions : width : 53 x depth 59 x height 10 cm.
