Stromboli swivel bath chair

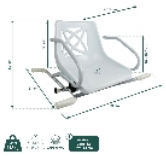

- 812048

- **Fold-up armrests**

The Stromboli bath chair is easy to install on the edge of the bathtub. It is secured by four non-slip supports and two non-slip stabilisers that adhere to the inside of the bathtub. The chair enables the user to sit outside the bath and then easily swivel to face the taps and bathe in comfort. The chair swivels using a simple lever located under the seat. It can also be used for side transfers with its fold-up armrests. Comfortable, contoured seat. White epoxy steel frame.
