- **Lifetime warranty**
- **Ultra-strong bar**
- **Available as a grab bar or right angle bracket**

Grip grab bars allow users to grab hold or steady themselves in case of a fall in any room of the house. Our range of Grip grab bars, made of plastic, are specially designed for installation in wet areas (bathrooms, toilets, etc.). The ergonomic shape of the bar makes it easier to grip.
Robust construction combining a stainless steel inner tube and a plastic-coated outer layer that is very comfortable to the touch. Perfect finish with cover caps. Available in white or with a blue section for the visually impaired users.

Wall clearance : 4 cm.

Maximum user weight : 125 kg.

Variantes :
- 30 cm (12 inches)
