IDENTITÉS

Raffin rolls of tearable fabric tape

For stronger or longer-lasting fixation than micropore adhesive tape.
Also ideal for patients who perspire heavily. Supplied in a roll without a dispenser : less bulky in carers' pockets. Can be torn by hand.

Hypoallergenic : excellent skin tolerance. Silk + hot melt adhesive.

Dimensions : 5 m x 2.5 cm.

Box of 12 rolls.

Date d'impression : 11/11/2026
