

Spengler Vaquez Laubry Classic Blood Pressure Monitor

The original with the full grain leather pressure gauge holder. Highly accurate measurements due to its double tubing for linear pressure build-up, and its high precision clockwork mechanism. Large volume bulb. Shock-proof foam manometer cover. Metal case. Navy blue cotton cuff with velcro.

5 year warranty.

Adult (M) for an arm circumference of 26 to 34 cm

Adult (L) for an arm circumference of 32 to 42 cm.

Also available in L size.
