- Small spoon - 813021

- **Non-slip rubber**
- **Dishwasher safe**
- **Assorted colours available**

The BigGrip range of cutlery is designed for people with arthritis or the elderly. The wide, anatomically shaped handle is covered with comfortable, non-slip rubber, making it easy to grip even when wet. The utensils (except the knife) can be twisted to find the angle that suits the individual user requirements.

5 models to choose from for standard cutlery : knife, fork, teaspoon, tablespoon and soup spoon.
Sets of 5 standard cutlery items are available.

Stainless steel utensils, latex-free.
Dishwasher safe.
Weight : 75 g.
Diameter : 3.5 cm.
Overall lengths: Fork (19.8 cm), knife (19.8 cm), spoon (18.7 cm), soup spoon (18.5 cm) and small spoon (18.3 cm)
Handle length: 11 cm

Available in a model with weighted handles to reduce shaking.
