

## TASMANIE BED TABLE

- 1 tray - 823021
- 2 trays - 823022
- 4 trays - 823023

- **Elegant base in matt black**
- **Compressed moulded MDF shelves**
- **High-assistance hydraulic actuator**

Our Tasmanie bed tables are suitable for use in care homes and allow patients to eat or read in bed. Their heavy-duty hydraulic actuator allows the tabletop to be raised with one hand and very easily without activating the actuator. The sturdy and elegant U-shaped base allows the table to be used in bed, but also with a standard chair or armchair. Its oval tube base is very elegant and sturdy. Wheels made entirely of plastic, two of which have brakes.

Tray height adjustable from 79 to 114 cm.  
Base dimensions : width 71 x depth 45 cm.  
Clearance width : 59 cm.
