

Bedcane bed support

- 823006

The Bedcane bed support consists of a plywood base that fits between the bed base and the mattress, and a sturdy handle that assists individuals with standing up. The handle is equipped with a pocket with four compartments for storing small items. The strap on the other side of the base secures the Bedcane to the bed base.
Fits all bed widths.

Handle dimensions : width 37.5 x height 47.5 to 55 cm.
Base dimensions : 55 x 40 cm.
Weight : 5.4 kg.

Maximum user weight : 155 kg
