- 50/52 - Short sleeves - 113004.50

- **100% Made in France**

The jumpsuit keeps overnight changes and protective clothing in place. It has a loose, comfortable fit. Dressing and changing made easier by a zip fastening running from the stomach, down the crotch and ending at the back of the neck, which cannot be opened by the patient.

2 models available : short sleeves or long sleeves.

The short sleeve model also has 3/4 length legs. Finished with a flap to protect the zip. 100% cotton jersey, washable at 60°.

Also available in light blue.
