Corfu bed table

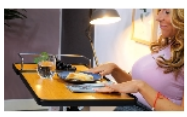

- 1 tray - 823125

- **3 models available depending on requirements**
- **Equipped with a hydraulic actuator**
- **Height adjustable with a simple hand movement**

Corfu standard bed table:
Allows the user to eat comfortably in bed. Its practical U-shaped base allows the table to be moved closer to the user when sitting in their favourite armchair. The hydraulic lift mechanism makes it easy to adjust the height without effort. Steel frame with white epoxy paint. Tabletop in light wooden melamine. Equipped with 4 wheels, 2 of which have brakes. Table for home use. Not suitable for intensive use.
Tabletop dimensions : width 76 x depth 38 x height 72 to 99.5 cm.
Base dimensions : overall 69 x 37 cm.
Passage width : 60.5 cm.
Maximum weight supported : 15 kg

2-tablet model :
This model has a large table top that can be tilted up to 30° on each side. Steel frame with white epoxy paint finish. Tabletop in light melamine. Equipped with 4 wheels, 2 of which have brakes. Table for home use. Not suitable for intensive use.
Dimensions of large tabletop : width 56 x depth 38 x height 72 to 99.5 cm
Dimensions of small tabletop: width 20 x depth 38 x height 72 to 99.5 cm.
Base dimensions : overall 69 x 37 cm.
Passage width : 60.5 cm.
Maximum weight supported : 15 kg

Evolution model :
This evolution of the Corfou bed table allows it to be used on a standard armchair, but also on a lifting armchair, as it has a width-adjustable base. It has 2 trays that are height-adjustable by means of a hydraulic actuator lift. The small fixed tray has a rail to prevent objects from falling off. The large tray tilts for use in a reading position. Steel frame with white epoxy paint finish. Tray made of light melamine. Equipped with 4 wheels, 2 of which have brakes. Table for home use. Not suitable for intensive use.
Dimensions of large tray : width 56 x depth 38 x height 72 to 99.5 cm.
Dimensions of small tray : width 20 x depth 38 x height 72 to 99.5 cm.
Passage width : 60 to 78 cm.
Maximum weight supported : 15 kg.
