

Corfou bed table

- 1 tray - 823125
- 2 trays - 823126
- Evolution - 823127

- **3 models according to need**
- **Equipped with a gas cylinder**
- **Adjustable in height with a simple touch of the hand**

Corfou standard bed table:

It allows you to have breakfast comfortably in your bed. The practical U-shaped base allows you to sit closer to the table when using it in your favourite chair. It can be easily adjusted in height thanks to its gas lift. Steel structure with white epoxy paint. Top in particle board with light wood decor. Equipped with 4 castors, 2 with brakes. Dimensions of table top: width 76 x depth 38 x height 72 to 99.5 cm. Frame dimensions: overall 69 x 37 cm. Clearance width 60.5 cm. Table for home use. Not suitable for intensive use.

2-top model:

This model has a large top that can be tilted up to 30° on each side. Steel frame with white epoxy paint. Top in particle board with light wood decor. Equipped with 4 castors, 2 with brakes.

Dimensions large tray/small tray: width 56 / 20 x depth 38 x height 72 to 99.5 cm. Frame dimensions: overall 69 x 37 cm. Clearance width 60.5 cm. Table for home use. Not suitable for intensive use.

Evolution model:

This evolution of the Corfou bed table allows it to be used on a standard chair, but also on a lift chair, thanks to its adjustable width base. It has 2 trays that can be adjusted in height by means of a gas cylinder. The small fixed tray has a gallery to prevent objects from falling. The large tray can be tilted to use it in reading position. Steel structure with white epoxy paint. Top in particle board with light wood decor. Equipped with 4 castors, 2 with brakes.

Dimensions large tray/small tray: width 56/20 x depth 38 x height 72 to 99.5 cm. Passage width: 60 to 78 cm. Table for home use. Not suitable for intensive use.
