Iso safety cup

- Standard - 813062

- Assortment - 813088

- **Valve prevents liquid from spilling**
- **Wide straw suitable for semi-liquid foods**
- **4-colour pack available**

The Iso ergonomic cup has ribbed sides to make it easier for people with arthritis or weak hands to hold. With its valve lid, the Iso cup prevents spills if dropped. The wide straw is particularly suitable for semi-liquid foods. Made from polymer, it is extremely resistant.

Microwave and dishwasher safe (except valve).

Diameter : 7 cm
Height : 9 cm

Cup graduated up to 20 cl.

Transparent, or in a pack of 4 neon colours (yellow, red, blue and transparent)

Adaptable handle available as an option below.
