

Iso Neon cups

- Assortment - 813088

- Standard - 813062

- **Valve to prevent liquid spillage**
- **Large straw for semi-liquid contents.**
- **4 colour pack available**

The Iso cup has a grooved sidewall to make it easier for arthritic or weak people to grip. Due to its valve lid, the Iso cup prevents the liquid from spilling if dropped. The wide straw is particularly suitable for semi-liquid foods. Ultra-resistant because it is made of polymere.

Guaranteed microwave and dishwasher safe (except valve).

Diameter 7 cm Height 9 cm

Graduated cup up to 20 cl.

Transparent, or in packs of 4 neon colours (yellow, red, blue and glass)

Adaptable handle available in option below.
