## BigGrip Weighted soup spoon

- Ballasted - 813111

- **Original and useful shape**
- **Weighted**
- **Available in non-standard versions**

The original shape of this BigGrip soup spoon, which is deeper than a standard spoon, allows the user to scoop up liquid and semi-liquid foods with minimal spillage. It has a 3 mm straight rim.
The ergonomic rubber handle is comfortable and non-slip, making it easy to grip even when wet. The spoon can be bent to find the angle that suits the user's needs.
Stainless steel utensil. Dishwasher safe.

Dimensions : Length 18 cm x diameter 3.5 cm.
Weight : 110 g.

**Variantes** :
- Ballasted

**Date d'impression :** 02/11/2026
