

Ballasted hollow spoon BigGrip

- Ballasted - 813111

- **Original and useful form**
- **Lestée**
- **Exists in non-standard version**

The original shape of this BigGrip hollow spoon, more hollow than a standard spoon, collects liquids and above all semi-liquid food while limiting the risk of spillage. It has a 3 mm straight rim.

Its anatomical rubber handle is comfortable and non-slip, making it easy to grip even when the lid is wet. You can twist the spoon to find the angle that suits your needs. Stainless steel utensil. Dishwasher-safe.
