

Paper towel dispenser

- **Up to 23% paper savings compared to other dispensers**

Made of ABS, with a viewing window for the consumable and a sharpening blade.

It is also more compact than most devices in its class. It accepts continuous rolls from 19.5 to 20 cm in width and up to 19.5 cm in diameter.

Works equally well on 1-ply, 2-ply & 3-ply, smooth or embossed.
