- **Prevents objects from sliding**
- **Video presentation and instructions available below**

Dycem non-slip material is the ultimate solution for preventing objects from sliding.
It is very easy to clean with soapy water to restore its original properties.

They are particularly suitable for meals, food preparation or securing various objects (telephones, puzzles, alarm clocks, etc.).

3 sizes available:
- 25 x 18 cm
- 35 x 25 cm
- 38 x 45 cm

Many colours available.
