- **Non-slip underside**
- **Non-slip, removable handles for filling with hot or cold liquid depending on use**
- **Dishwasher safe**

Our Vital insulated plate allows slow eaters to keep their food or soup warm. The coloured handles are removable and allow hot (or cold) water to be filled between the two walls. They are non-slip for a safer grip on the plate. Made of high quality melamine.

Non-slip underside.
Dishwasher safe.
