Extendable stocking threader and shoehorn

- 819091

- **Extendable up to 58 cm**

This utensil has two uses. It is a stocking or sock threader with an anatomical support and a non-slip side for placing the stocking. Turn it over and it becomes a handy long-handled shoehorn.

Length : 34/45/58 cm.
Width : 11 cm.

Weight : 170 g.

Date d'impression : 10/11/2026
