

Dycem 40 cm non-slip roll

- **Securing larger objects**
- **Video presentation and use available below**

Dycem non-slip material is highly flexible : it prevents plates and glasses from sliding on/off tables, secures supports and various utensils on furniture, etc. This very thin material is supplied in rolls and can be cut to size as required for specific applications.

The 40 cm cut width is particularly suitable for securing bulky items, chair seats and glasses in a drawer.

3 roll lengths available and several colours :

- 2 metres : Red, blue, green, white, yellow, pink and lime green
- 9 metres : Blue
- 15 metres : White, blue and red
