

Water bottle with pill dispenser

- 817297

- Compact and portable water bottle
- 4 accessories in 1 :
 - - Bottle
 - - Pill dispenser
 - - Grinder
 - - Tablet cutter
- Practical packaging for display on shelves

This bottle will allow individuals to take their medication when travelling or on the move. The bottle has four storage compartments in the lid. Its base allows individuals to crush or cut medication that is too large to swallow.

All this in an airtight bottle with a carrying strap.

The top compartment has four sections where medication can be stored and prepared for different times of the day. Practical packaging for display on shelves.

Dishwasher safe up to 70°C.

Not microwave safe.

Colour : white.

Dimensions : 75 x 75 x 215 mm.

Weight : 257 g.

Capacity : 34 cl.

Compact and portable bottle

4 accessories in 1: bottle, pill box, crusher and tablet cutter
