

Thalasso foot bath salts

- 428145

- **Immediate relief in case of swelling, heaviness, cramps, dryness and flaking of the skin.**

The Thermalis thalasso salts result from the mixture of hyperthermal water from the Abano basin and sea salt extracted from ancient deposits. The salt bath reactivates the body's flow, stimulating its self-regulating mechanisms. The skin absorbs minerals while hydrating.

Dermatologically tested, preservative-free.

10 sachets of 40 ml.
