

Id Mouv leisure wheelchair

- **Electric wheelchair, foldable and ultra-lightweight**

Our Id Mouv leisure armchair is an electric wheelchair helping to move easily during your leisure outings or during your holidays. With its foldable structure, it fits in the boot of a car very easily. The driving is fluid and manoeuvres simply with a joystick, to the right or to the left. It has comfort cushions on the seat and backrest. Its 20 cm rear wheels and 15 cm front wheels are suitable for outdoor use on maintained roads and paths.

The third party or remote control joystick option is no longer included in the product.
