PositPro abducter leg lift cushion

- Aubergine - 829102.A

- Grey - 829102

- **The latest innovative material : Technigel fibre and Steritex cover**

The PositPro cushions feature Technigel fibre, which provides exceptional comfort for patients. It exceeds the comfort performance of current polyester fibres, is lighter and, above all, has a memory effect. It allows for optimal positioning to relieve pressure points.
The cushions feature a removable Steritex cover, made from the most resistant polyurethane on the market. This innovative coating is ventilated and waterproof, with a bi-elastic knitted base. Ideal for decontamination in communal areas and suitable for the most stringent requirements in environments with a risk of contamination. Its resistance to maintenance makes Steritex a product that is highly appreciated by hygiene services. Washable at 95°C. Resistant to chlorine and autoclaving.

Curved cushion allows heel relief to prevent bedsores. Adapts to the shape of the legs. Improves blood circulation in heavy legs. With a positionable abductor pad with Velcro fastening.

Cover with zip in Steritex.
Memory foam.
Dimensions : 59 x 59 cm.
