One touch automatic jar opener

- 817098

- **Revolutionary : press the button and let it do the work!**
- **Video demonstrating how to use it available below.**

Fully automatic jar opener that opens all jars effortlessly : simply place the device on the jar and press the button. The jar will then open by itself.
The jar opener opens lids with a diameter of 2.5 to 10.1 cm. Does not open homemade jars.

Requires 2 LR6 AA batteries (not included).
