

One Touch free standing jar opener

- 817098

- **Revolutionary: press the button and let it happen!**
- **Use video available below**

Fully automatic jar opener for effortless opening of all jars: simply place the appliance on the jar and press the button. You can then let go and it opens the jar on its own. The jar opener opens jars from 2.5 to 10.1 cm in diameter, do not open home-made jars.

Uses 2 LR6 AA batteries not included.
