Inflatable shampoo basin

- 812025

- **Its design ensures good support for the neck**

This inflatable basin allows bedridden people to wash their hair without leaving their bed and without risking wetting the sheets. The basin is equipped with a drain that directs the water into a container that can be placed on the floor. Its shape provides good support for the neck. Made of high-strength vinyl.

Dimensions : Length 70 x width 60 x height 15 cm.
