

## Shampoo basin

- 812025

- Its cut-out is designed to give a good support of the nape of the neck.

Bedridden people can shampoo without leaving the bed and without the risk of getting the sheets wet. The inflatable bowl has a drain that leads the water to a container that you place on the floor. Its cut-out gives a good support for the neck. Made of high-resistance vinyl.

Dimensions : Length. 70 x width. 60 x height. 15 cm high.
