- 1 engine - Grey mottled fabric - 821049.GRIS
- 2 engines - Microfiber Taupe - 821059.TAUPE
- 2 engines - Chocolate Leatherette - 821059.CHOC
- 2 engines - Grey mottled fabric - 821059.GRIS

- **Smooth, linear movement**
- **New, improved remote control**
- **Choice of 1 or 2 high-quality Okin motors**

The Renaissance rise and recline armchair is an electric armchair that allows users to stand up gently, with a smooth and secure movement. The difference between the 1-motor and 2-motor models is that with 2 motors, the backrest and footrest can be operated independently. The reclining position is practically flat. The seat adjustment system ensures that there is very little space between the backrest and the seat when reclined, guaranteeing optimal comfort. Armrests in PU foam, density D18, hardness 70; footrest in PU foam, density D24, hardness 50; seat in PU foam, density D18, hardness 70 + foam spring base. Backrest in hollow polyester fibres for soft comfort.

Overall dimensions : width 84 x depth 92/173 x height 113/86 cm.

Seat dimensions : width 52 x depth 50 x height 50 cm.

Weight 42 or 43 kg.
