Key turner

- 817059

- **3 keys mounted on a large handle**
- **Folding keys**

This key turner offers a wide grip for turning keys without pain. Turning a key in a lock can be difficult. This wide handle allows individuals to use their entire hand, making the movement easier. Holds up to 3 foldable keys.

Length : 12 cm.

Date d'impression : 14/11/2026
