- **Revolutionary one-handed unfolding system**
- **Easy and effortless folding**

The Ta-Da Chair cane seat will accompany you on your daily trips. It will allow you to take breaks very easily and often, thanks to its simple and effortless handling (a simple rotation of the upper ring is enough to transform it into a seat). With its unique design, the seat can be adjusted according to the user's body angle for exceptional seating comfort. In the cane position, the center of gravity is very high, which facilitates the walking movement. Soft and ergonomic seat.
