

MySleeve comfort handles

- 816102

- Transform your classic canes into comfort canes
- Equipped with magnets, ideal to hold them upright
- Ultra-comfortable silicone pads

The MySleeve handles can be installed on any cane to make them more comfortable and functional. They have non-slip silicone pads to improve comfort of use. The magnetic end is made to attach the canes together, pick one cane up with the other, catch metal objects that have fallen on the ground, etc. Once joined together, the canes stand alone against a wall.

Material very easy to clean.

Sold in pairs, in its packaging for brooch with manual.

Colour black

Weight : Only 140 gr.
