Anchor bath lounger

- Large - 822016
- Small - 822015
- X-small - 822014

- **Corrosion-resistant aluminum frame**
- **Easy, independent adjustment of backrest and seat**
- **Seat depth adjustment**
- **3 sizes available**

The Anchor bath lounger provides a safe and comfortable position for a child during bath time. Its aluminum frame is padded with comfortable, quick-drying net fabric. It has 4 backrest angle settings (0°, 30°, 60°, and 90°) and 4 possible angles for the leg rest.
It is equipped with two safety belts at the hips and chest, side headrests, and leg loops. Adjustable seat height. The seat angle can be adjusted. The bath lounger is equipped with large, rounded non-slip legs to ensure safety in the bathtub. Practical, flat folding for storage.
