## Mobile shower support for Anchor bath lounger

- 822006

A very important option for the Anchor bath lounger when using a walk-in shower.

It allows the child to be positioned at the right height and easily carried into the shower.

The bath seat is easily and securely attached to the support with two slides secured by a knob.

Dimensions : length 117.5 x width 59 x height 39 cm.

Weight : 4.10 kg.
