

Anchor bath lounger support frame

- 822006

A very important option for the Anchor bath lounger when you have a walk-in shower.

It allows the child to be positioned at the right height and to be taken easily into the shower area.

The lounger is easily and firmly attached to the stand by means of 2 slides secured by a knob.

Dimensions: length 117.5 x width 59 x height 39 cm.

Weight: 4.10 kg.
