

Seni classic - CLASSIC

Complete nappy model CLASSIC for people with strong urinary and faecal incontinence problems. Two anatomically shaped absorbent pads made of cellulose pulp with super absorbent. Distribution sails (EDS). Side barriers with elastomeric thread along the absorbent pad pointing outwards - additional leakage protection in the inguinal area.

Four multi-repositionable Velcro fasteners. Double moisture indicator: ink prints that turn fuzzy and two yellow glue strips that turn green when the pad is soiled. Vapour permeable outer layer in the central part and non-woven on the sides (hips).
