

Seni classic - CLASSIC TRIO

Seni Classic offers a range of CLASSIC TRIO nappies for people with very high urinary and faecal incontinence. Composed of two anatomically shaped absorbent pads made of cellulose pulp with super-absorbent. Distribution sieve (EDS). All along the absorbent pad, side barriers with elastomeric thread are directed outwards allowing the inguinal area to be protected against leakage. Four multi-repositionable Velcro fasteners. Double moisture indicator: ink prints that turn fuzzy and two yellow glue strips that turn green when the protection is soiled. Vapour permeable outer layer in the central part and non-woven on the sides (hips).
