Pants MAXI and junior

The Quick & Easy system is a way to change nappies quickly and get back to playtime straight away. It also helps children become more independent in their daily lives. Easy to put on and take off. High absorbency. The design and colourful print of these nappy pants make them look like underwear. Air flow technology cares for the child's skin and protects it from irritation. No fragrances, no chlorine, no natural latex, dermatologically tested, free from EU allergens.
