

Pants MAXI and junior

The Quick & Easy system is a way to change the nappy quickly and resume play immediately. It is also a solution that helps the child to gain independence in daily life. Easy to put on and take off. High absorbency. The design and the colourful print make them look like underwear. Air flow technology cares for the child's skin and protects it from irritation. No perfumes, no chlorine, no natural latex, dermatologically tested, free of allergens from the EU list""
