SeniCare creamy gel

- 803201

Recommended for cleansing very dry skin that lacks a natural protective film. Due to its formula enriched with natural oils and natural skin-conditioning agents, it moisturises and softens the skin.
The shower cream soothes irritations and tight skin, leaving the skin looking healthy.
Active ingredients : urea 3% (4), organic flax complex (1), rich in Omega 3 & Omega 6 (5), olive oil (6), silymarin (7).
500ml pump bottle.

Date d'impression : 24/11/2026
