

No-rinse foam shampoo

Clean and fresh hair without rinsing, a new fast and effective method: convenient application for all hair types. Ideal for scalp cleansing without the use of water for elderly, disabled and immobilised people where it is difficult to wash hair in the conventional way. Practical and recommended in any situation where access to water is limited.

Active ingredients: flax bio-complex (1), DeoPlex® (a delicate but effective odour neutraliser).
500ml bottle.
