

Regenerating body balm for dry skin

- 803207

Balm for daily care of very dry skin.
Soothes the skin, restores its natural hydrolipidic barrier and protects it against harmful external factors.
Due to its moisturising active ingredients, it effectively nourishes and regenerates the skin.
Active ingredients : organic flax complex (1), panthenol (2), calendula oil, cocoa butter (12), shea butter (13), rapeseed oil, olive oil (6).

200ml tube.

Date d'impression : 16/09/2025
