

Regenerating balm for dry skin

The balm for the daily care of a very dry skin. Soothes the skin, restores its natural hydrolipidic barrier and protects it from harmful external factors. Thanks to its moisturizing active ingredients, it effectively nourishes and regenerates the skin.

Active ingredients: flax bio-complex (1), panthenol (2), calendula oil, cocoa butter (12), shea butter (13), rape oil, olive oil (6).

Tube 200ml.
