

Nourishing hand cream

Particularly recommended for those who wash their hands frequently or who have frequent contact with detergents. Repairs dry skin and restores its lipid balance. Effectively softens and firms the skin. The cream leaves a silky film and improves the skin's elasticity.

Active ingredients: urea 3% (4), flax bio-complex (1), allantoin (9), panthenol (2), grape seed oil, glycerine (8), vitamin E (13), lactic acid (3).

100ml tube.
