Slide luxury stocking threader

- 819048

- **A sock aid that finally works!**
- **Put on stockings without bending over!**

This device allows the user to put on stockings and socks effortlessly and without bending over. It consists of a rigid frame with a smooth surface on top to help slide the heel in easily and a non-slip cotton loop surface to hold the stocking or sock in place. The two cotton straps are equipped with buckles so that the user can perform the task without bending over.

Dimensions : 23 x 20 cm.
