Swingeasy walking stick

- Bronze - 816112.BRONZE
- Black - 816112.NOIR
- Red - 816112.ROUGE

- **Articulated and spring-loaded end cap**
- **Ultra-rigid aluminum**

High-quality walking stick with an elegant finish due to its highly resistant grained paint. Its base limits impact from regular walking sticks as it is equipped with a very comfortable spring and a ball joint tip, allowing it to adapt to all terrains without slipping. Very comfortable anatomical handle. Equipped with a noise-reducing grip.

Aluminum frame.
Handle height adjustable from 76 cm to 99 cm in 10 positions.
Cane diameter : 19 mm.
Tip diameter : 40 mm.
Available in 3 colors : black, bronze and red
Weight : 310 g.
Maximum user weight : 120 kg.

Variantes :
- Bronze
- Black
- Red
