- Size 1 - 821142

- Size 2 - 821143

- **Attractive design and multiple adjustments**
- **Suitable for carehomes**
- **Numerous options available**

Pango is the new activity chair designed for children with specific positioning needs. With its attractive design and smart features, it will be a very useful tool in childcare and learning facilities.
Available in two sizes, the chair is equipped with a high, padded, waterproof seat and backrest and numerous adjustments : height-adjustable armrests, reclining backrest, height and depth adjustable seat, and seat angle.
Comes with a padded pelvic strap.
Posture and stability greatly improve the child's comfort and concentration, which is why the various options make this a adaptable device.
Glued laminated wood structure.
